

Welcome to the PMM Team!

I am so excited to start this new journey with you. Whether you have signed as a model simply for a fun experience, or whether you have signed for the intention of developing a career within the modeling industry, I am here for you as a resource. Together, we will ensure that you have a solid foundation, so if and when you are ready to branch out, your Mother Agency (That's PMM!) will be there as a resource, to get you where you want to be.

These next few months will be designed for portfolio building and social media growth. Model Profile

Tell me about you! Your hobbies, your favorite places, your favorite food, etc! I want to know who you are!

Hi Shana! A few things about me...

I am from Atlanta, GA, moved to Seattle 2 years ago and loving it! As I am pursuing modeling fulltime now, I have always been in the medical field, mainly working as a nurse.

I do miss it sometimes :/

I don't have a ton of hobbies as life is usually in the way but a few smallthings that I enjoy: reading, watching old sitcoms, and being in good company. My favorite places I would say is Estes Park in Colorado and Ireland. All of Ireland. As for the food part.. Well, you're in Texas so you still get to have your comfort southern food.. It does not exist here in Seattle So it's more like "Foods I miss." haha. Banana Pudding, BBQ, and any kind of potato.
